B: Health screening

For most people, physical activity does not pose a hazard and can improve overall health & well-being. Cycling, however, can be strenuous and therefore riders should be in good physical health. **Riders who have any doubt about their health or have a medical condition that could be affected by exercise, particularly a heart condition, should consult their doctor before participating.**

Have you been diagnosed by your doctor or health professional with any of the following medical conditions?	Yes	No	Prefer not to say
B1. Heart disease or a heart condition			
B2. High blood pressure			
B3. COPD (Emphysema and Chronic Bronchitis)			
B4. Diabetes			
B5. Asthma			

Do you experience or have any of the following?

	Yes	No	Prefer not to say
B6. Pain in your chest when you do physical activity?			
B7. Loss of balance because of dizziness or lose of consciousness?			
B8. Pain in your chest within the last month when you were NOT doing physical activity?			
B9. Bone or joint problems that could be made worse by a change in your physical activity?			
B10. Do you have a long-standing (i.e. for more than 12 months and likely to continue) illness, condition or disability which affects (or limits) your day to day activities?			

If Yes, please give brief details

Please advise the ride leader if you have any other conditions you feel they might need to know of.

C: Activity & helmet Consent

Solihull Wheels for All strongly recommends all riders wear a helmet

	Yes	No
C1: I understand the sessions will be led by experienced volunteers. Their role is to give advice and support about cycling issues such as helmets, types of bikes and to adjust bikes when needed.		
C2: I understand that there is some risk in doing this activity such as falling off or bumping in to other bikes and track users		
C3: I know why it is important to wear a helmet and that this will reduce the risk of me being injured		
C4: I be wearing a helmet		
C5: I will follow the rules and code of conduct as published on the Solihull Wheels for All website and will take full responsibility for my/my client's personal safety		

D: Using and sharing information

Your information will be held in accordance with the Data Protection Act 1998. Anonymous data may be used to evaluate sessions and show funders that they offer value for money. Summary information will also be used by Solihull Wheels For All to further safeguarding and promoting the use of cycling to improve the health of the population. The information will be input into a central secure database which may be used to draw anonymised reports regarding Solihull Wheels For All. The results of any analysis may be used to support funding bids and to help define the health value of cycling

E: Declaration

E1: I understand that if I have answered 'Yes' to one or more of the **health screening** questions, I should seek medical advice before attending a cycling programme. I agree to tell the cycle leaders if there is a change in my medical condition. I understand that this information will be shared with other cycle leaders and that I cycle at my own risk.

E2: I understand that **carers are responsible for their clients** at all times and should remain on-site during sessions

E3: I have read, understood and agree to the above statement regarding the '**Using and sharing information**'.

NOTE: The minimum age for signing consent is 18. People aged under 18 years of age can only use a bicycle if a parent or legal guardian/ carer aged 18 or over accompanies them and/or has given their prior consent and signed this form
